*2020 pricing in effect as of August 1, 2020, likely has gone up

Note: The following are only permitted in the red or red with black colours (not straight black):

- MC5445/6 Floater Coat
- MJ5246 Floater Jacket
- MSD634/635/636/637 (not the fluorescent colours)
- MIV-20 is only made in orange now, which is NOT approved. Please look at the Salus or Northwater vests instead. Or ask HQ if they have spare used ones from other stations

Contacts for ordering Mustang gear:

Both retailers have noted how Important it is that you contact these specific sales personnel as this will ensure you are provided with discount pricing. They will both work directly with stations/societies to process orders.

Trotac Marine: Cam Thomson Ph. 250-386-2341 / email: cam@trotac.ca

Ferno Canada: Mason Fulton Ph. 604-966-4109 / email: m.fulton@fernocanada.ca

They advise the following:

- Only one account per station and one contact person
- This only applies to gear purchased for RCMSAR operations and **not for personal use**;
- They can ship anywhere in Canada, so therefore can ship directly to stations;
- Your station/society will be billed directly
- The items are not branded with RCMSAR
